

# Elevating Every Aspect of College Life

Give your students and faculty something to celebrate with Slingshot's auto fulfillment subscription service. Choose a partner with over 25 years of experience designing stores that attract customers and effectively serve students.

Print & Mail

Course Materials

Campus Store

## Stress-Free Start to Every Semester

Starting a semester shouldn't be stressful. With Slingshot, students get all their course materials before classes start, saving time and easing worries.

## Flexibility is Our Middle Name

From digital resources to textbooks and supplies, we ensure students get what they need, delivered where they want, right in time for the first day.

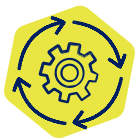

## Dynamic Engagement

From pop-up shops at campus events to active social media promotions, we ensure your store is always where the students are.

## Premium Merchandise

Stocked with top brands like Nike, Apple, and Burt's Bees, plus a diverse range of essentials from tech to apparel.

## Integrated Services

Beyond course materials, we modernize mail rooms and streamline print operations, centralizing them within your campus store for efficiency. By integrating mail services into your campus store you can quickly **save 20-25%**.
